PRINCIPAL'S MESSAGE

WOLFPACK

Dear Students, Parents/Guardians, and Faculty,

The 2023/2024 school year is coming to an end quickly, and I have such pride in the school for all that has been accomplished. Students, staff and families have all worked incredibly hard to see huge successes, growth and achievements.

To our students: Over the course of the year, you have all developed and grown and learned so much. You all participated in showing our Grandfather Teachings to each other and our community. Each one of you made this school better through your enthusiasm for learning, respect of others, and ability to work together. The school couldn't be more proud of you. To our Grade 8 class, we wish you all the best in High School and know that you will do amazing things.

To our Parkdale Families: Thank you so much for all your support and energy over the course of the year. Schools cannot function properly without family support. We are all helping to raise these young children. Thank you for all that you do.

To our Staff: The dedication, perseverance, and care for students has shown brightly this year. Each staff member has given of themselves to ensure each student has exactly what they need to be successful. I deeply thank all the effort and hard work you have all put in to make this the wonderful year it has been.

I am tremendously proud of all the accomplishments this year. I hope everyone has a wonderful summer full of sun, laughter and joy. We look forward to seeing you all in September. Thank you for the great year!

See you next year.

Michael Ruby
